16) I do not think there is any objection to the proposed Circular. This has nothing to do with the fact that the firms have to get an importing license from the Resr., for importing arms into Mysore. Sir,

I have the honour to state that as may be seen from the enclosed correspondence ending with Messrs.P.Orr & Sons' letter dated 9th July 1913, the Madras Government have with a view to facilitate the refund to the importers of Arms of the differential duty paid thereon under proviso 2 to Schedule II of the Indian Tariff Act, issued a Circular that whenever a license is granted under the Arms Act, an endorsement should be made thereon to the effect that it relates to a weapon to be newly purchased by the licensee and does not relate to one already in his possession. Here in Mysore, there is no such order and consequently the applications of firms dealing in Arms at Madras and other places for such endorsement have to be refused.

As such an order is likely to conduce to the convenience of firms dealing in Fire Arms, I beg to suggest that Government may be pleased to issue instructions similar to those issued in Madras.

In the present instance, I have returned duly endorsed the license received from Messrs P.Orr and Sons.
